ENTREPRENEURSHIP & LEADERSHIP

CBA Blockchain Club: Founder & President

2024–Present

- Founded the club and grew membership from 0 to 70 students.
- Teach lessons on blockchain fundamentals and run workshops where members set up and use crypto wallets.
- The club launched a token on the solana blockchain
- Link to club website: blockchain.turnercooke.com

Windrunner Gaming: Founder

Grade 8

- Started a play-to-earn blockchain gaming business, buying teams of digital game assets for Axie Infinity.
- Hired and managed 6 players in the Philippines on revenue-share agreements; generated revenue until the Ronin network hack halted growth.

Computer Literacy Education Outreach (CLEO): Chapter Founder

2025–Present

- Founded a local chapter that teaches senior citizens to use email, text messaging and other everyday technology.

CBA Varsity Lacrosse: Captain

2026–Present

- Lead workouts and practices, organize offseason and captains' practices, and mentor underclassmen.

DECA Career and Technical Student Organization: VP of Fundraising

2025–Present

- Manage alumni and sponsor outreach for the chapter's fundraising.
- Competed in Entrepreneurship, analyzing business cases, and qualified for the New Jersey state competition.

MVP Holistic Development Leaders Program: Selected Participant

2026–Present

- Selected for an invitation-only, 12-week program on communication, resilience, accountability and building team culture.

TECHNOLOGY & INVESTING

CBA Computer Science & Cybersecurity Clubs: Member

2025–Present

- Competed in the Garden State CTF, a statewide cybersecurity capture-the-flag competition.
- Earned an award at Monmouth University's Hawk Hack, solving timed Java algorithm problems.
- Staff the student tech help desk.
